LORINDA'S STORY

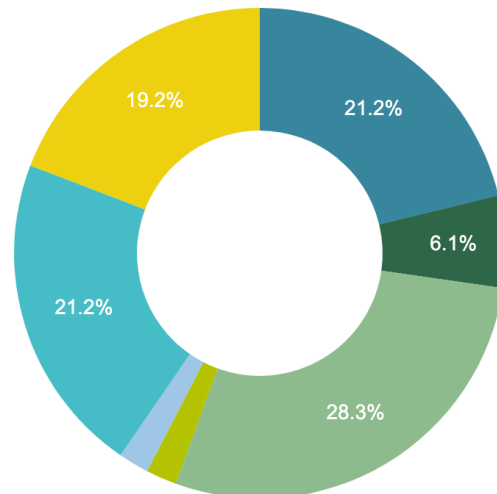

Lorinda has been living at Garfield Agape Court since 2017. This is just a snippet of her story being at Garfield and her experience there.

"I appreciate the various ways they offer support. Beacon housing has always offered ways to help, and I appreciate that, especially now that things have changed so drastically and so dramatically. To make yourselves so accessible is huge especially during this time, because we are still technically in a pandemic, and it's so weird financially, and the cost of everything is going up. I'm still trying to find my footing so I appreciate that the energy isn't "hurry up, pull yourself up by your bootstraps", there is that extra care. There is definitely a heart here and I appreciate that. "
