

LOWE HOUSE IMPACT

2024

4 CERTIFIED LOW-INCOME HOUSEHOLDS

AFFORDABLE RENTAL HOUSING

Lowe House, located in Northwest Pasadena, serves those working towards self-sufficiency. The property provides affordable permanent housing for low-income individuals and families. Lowe House has a main house and a back house. The property can provide affordable housing for up to 14 individuals.

Lowe in 2024

In 2024, Lowe House housed 13 individuals in our two main house units and two back-house units. At the end of the year, our top unit became available to a new family. After the previous tenants moved out, we started work on cleaning and preparing it for a new family! With this new unit available, we are working with new applicants to get the unit filled as soon as possible. We are so excited to see one tenant grow and move out, and to see a new tenant start their journey with permanent affordable housing.
